Greetings HMS parents!

We are entering the final stretch of the school year with just three full weeks remaining! These last few weeks are packed with exciting grade-level and school-wide activities that celebrate the hard work and growth of our students. From field days to special assemblies and classroom showcases, there's a lot to look forward to. While we celebrate, our commitment to learning remains strong—students will continue engaging in meaningful lessons and projects right up to the last day.

As we approach the end of the year, we encourage you to stay closely connected with your student's academic progress. Please continue to check ASPEN regularly and talk with your child about their assignments to ensure everything is turned in on time. This is a crucial time to finish strong, and your support makes a big difference in helping students stay on track and feel proud of their accomplishments.

With the beautiful spring weather and the excitement of summer plans just around the corner, it's natural for students to become a bit more distracted or forgetful. We kindly ask for your help in reminding them about the importance of following school rules, staying focused, and completing their responsibilities. Let's work together to make these final weeks both joyful and successful! Thank you for all you do and having wonderful students.

Humphreys Middle School Visits Sister School in Korea

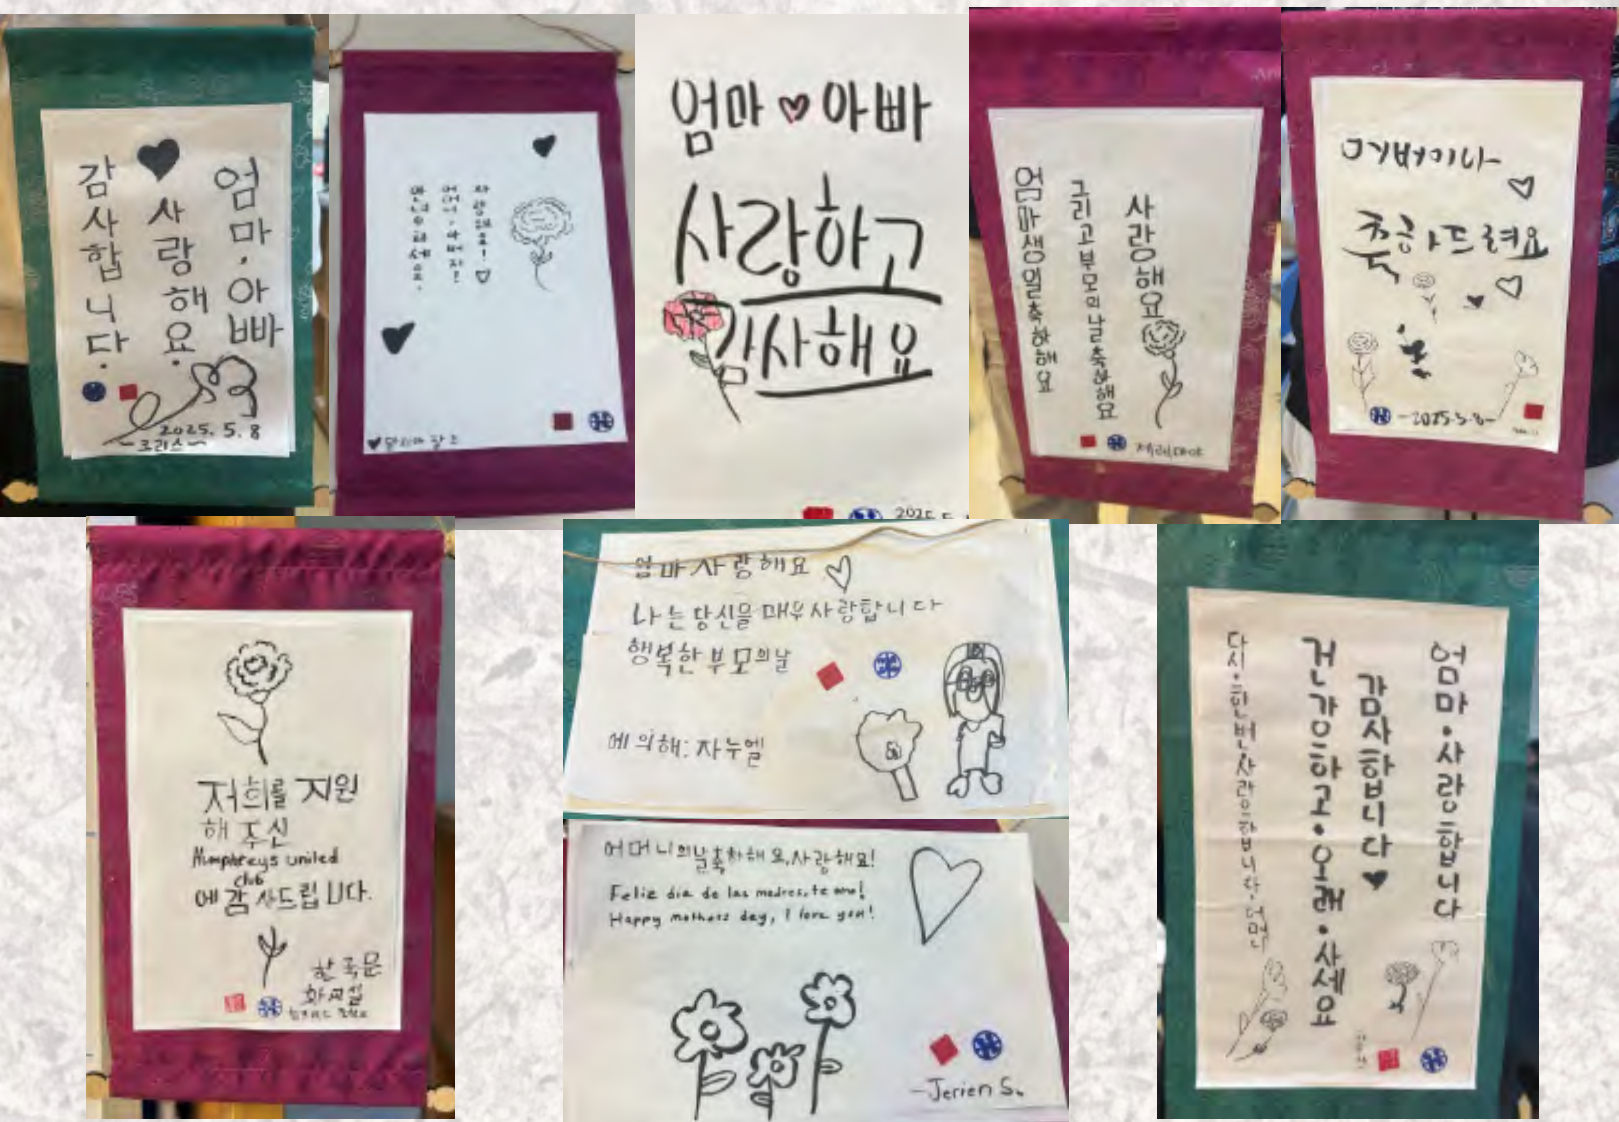

On Thursday, April 24, 2025, 17 students from Mrs. Burton's Explore Foreign Language class had the exciting opportunity to visit our sister school, Neungdong Middle School, in Hawseong. This was our second visit to Neungdong this school year, and it was once again a day filled with cultural exchange, learning, and fun. During the visit, our students shadowed their Korean buddies for two class periods, giving them a glimpse into everyday school life in Korea. In addition to attending classes, they took part in engaging cultural activities, including crafting traditional 자개 (mother-of-pearl) keychains, playing the popular Dalgona (sugar cookie) game, and enjoying a lively round of "Red Light, Green Light." Students also had the chance to try a Korean school lunch, which was a new and enjoyable experience for many. Sharing a meal together added another layer to the cultural immersion and offered a taste of daily life in Korean schools. Perhaps the most meaningful part of the day was the time spent building friendships. Through shared experiences and laughter, students from both schools created strong connections that went beyond language barriers. We're now looking forward to welcoming Neungdong Middle School students to Humphreys in June — and we're excited to return the warm hospitality and continue this special partnership.

Honoring Parents Through Korean Calligraphy

Mrs. Burton's Intercultural Ed and Explore Foreign Language Classes

In honor of Korean Parents' Day (어버이날; May 8) and Mother's Day (May 11), students in Mrs. Burton's Intercultural Education and Explore Foreign Language classes engaged in a hands-on cultural experience.

Students learned the basics of Korean calligraphy, including how to properly hold a calligraphy pen and practice brush strokes. Each student created a scroll with a personalized message for their parents or mother. Some chose to include a hand-drawn carnation—a meaningful Korean symbol of respect and love for parents—while others expressed their appreciation through thoughtful calligraphy alone.

This special activity offered students a chance to explore a meaningful Korean tradition while expressing gratitude in a creative way.

The project was made possible thanks to the generous support of the Humphreys United Club, whose grant provided each student with their own set of calligraphy supplies.

It was a unique and memorable way to celebrate family and culture in Mrs. Burton's classroom!

Advisory Corner

The first ten minutes of each advisory period will be dedicated to students reviewing their grades. During this time, they will reflect on their accomplishments, identify areas for improvement, and determine which teachers they need to collaborate with that day.

SY 2025-2026 New Student Registration

SCAN ME

Dear parents & students,

Welcome to our school! Get ready for an exciting SY 2025-2026 filled with learning, new friendships, and unforgettable experiences. Don't forget to complete your registration!

New Student Registration

Who: ALL students planning to enroll in Pacific West District Korea schools for SY 25-26

What: New registration

Why: Streamline the registration process and complete enrollment as soon as you arrive in Korea

Where: [ASPEN Website](https://dodeasis.myfollett.com/aspen/logon.do)
(<https://dodeasis.myfollett.com/aspen/logon.do>)

When: "Pre-Registration" Opens on **Wednesday, March 12, 2025**

- How:**
- Create a family Aspen Portal login in ASPEN
 - Create a new student registration for each student and upload supporting documents
 - Notify the [school registrar](#) at the respective school with your online completion

Required Documents for Registration

ACTIVE DUTY

- Orders
- Birth Certificate or Passport (PK3 -1st)
- Immunization Records
- Previous School Records

CIVILIAN EMPLOYEE

- LOE
- Travel Orders or SF-50
- Birth Certificate or Passport (PK3 -1st)
- Immunization Records
- Previous School Records

Some localities may require **additional documentation** upon registration.

For **Space Available requests**, please contact the school directly.
